7. Apply for a permit in the Department of Planning and Resource Management for the California High-Speed Rail Authority.

8. The City of Cupertino has been notified that the Project has applied for certification, as required by Section 21180(a)(1).

3. Lead Agency: City of Cupertino

2. Project Description: Apple proposes a site-of-the-art office and research campus to expand the company's existing presence in the region. The project will include a 500,000 square foot headquarters and research facility, as well as 2,000,000 square feet of office and laboratory space. The project will also feature a 400-room hotel, a community center, and a recreation center.

1. Project Applicant: Apple Inc.
ECONOMIC IMPROVEMENT ACT OF 2011, PUBLIC RESOURCES CODE SECTIONS 21175 ET SEQ.

Therefore, I hereby certify that the Apple Campus 2 Project is an eligible project under the Jobs and
Economic Improvement Act of 2011, Public Resources Code Sections 21175 et seq.

June 14, 2012

EDMUND G. BROWN JR.
Governor of California

[Signature]

9. Apple has provided documentation referring to existing agreements establishing the
requirements set forth in Public Resources Code Sections 21183(c)(3)(a) and (b). (See Apple
Submission, dated April 12, 2012, attached as Exhibit 5.)

8. Apple has committed that the Project will not result in any additional greenhouse gas
emissions. The Deputy Executive Officer of the Air Resources Board has made the
determination that the Project does not result in any additional greenhouse gas emissions.
