

Integrated Climate Adaptation and Resiliency Program (ICARP)

Agenda Item 8 | SB1 Adaptation Planning Grant
Update

Technical Advisory Council

December 8, 2017 | Sacramento, CA

ICARP & CalTrans Coordination to Date

- Interagency coordination for Senate Bill 1
Adaptation planning Grant Guide development
- TAC consultation during public input process
- Grant evaluation committee (OPR and SGC)

ICARP & CalTrans Coordination Next Steps

1. ICARP support to grant awardees
2. Case studies for ICARP Adaptation Clearinghouse
3. Caltrans progress reports to ICARP TAC

1. ICARP support to grant awardees

- Caltrans and ICARP will develop language for award letters outlining opportunities for support and engagement
- Proposed:
 - Awardee presentation or request for technical assistance from TAC to occur during standing quarterly meetings
 - Offer TAC workgroup support through webinar meetings, if requested (case by case)

2. Case studies for ICARP Clearinghouse

- Grant awardees contractually obligated to submit two case studies for inclusion in the ICARP clearinghouse
 - Initial case study (review draft due 2 weeks after contract signing)
 - Final case study (review draft due 1 quarter prior to project end date)
- Grant awardees will be provided with a standard template

3. Caltrans progress reports to ICARP TAC

- Caltrans will report to TAC on Adaptation Planning Grant program, minimum twice a year

Discussion Questions

1. Are there additional suggestions on how to provide Technical Assistance (voluntary) to grant awardees?
2. What type of information would be helpful to receive from the Caltrans reports?
