

# Scoping ICARP Technical Advisory Council Annual Report

Agenda Item 4 | ICARP Update

---

## Technical Advisory Council

June 28, 2019 | Santa Rosa, CA

# Recap – March Meeting

---

- Overview of progress to date of ICARP
  - → Clearinghouse
  - → Technical Advisory Council
- Discussed next work streams and priorities
- Explored concept of an Annual Report to advance our work, purpose & objectives per SB 246
- Resolved to come back next meeting with a framework for an Annual Report

# SB 246 (Wieckowski, 2015): Integrated Climate Adaptation and Resiliency Program

---

## Purpose

- Coordinate state, tribal, local, and regional activities with a focus on local implementation local implementation

## Cross-cutting objectives

- Advance equity and environmental justice
- Support an integrated approach to climate change (adaptation and mitigation)

## Programmatic elements

- Adaptation Clearinghouse
- Technical Advisory Council (TAC)

# Annual Report – Comments from TAC Members

---

- Report on what local governments identify as the gaps and risks across the state
- Help others understand role for this work and next steps
- Frame around land use and long range planning
- Report needs to be wholly consistent with the legislative charge of the TAC; role in advising OPR
- Consider staff capacity
- How will annual report move the needle?
- How best to knit diversity of topics in a succinct, coherent way?

# Annual Report – Goal

---

- Highlight overarching accomplishments, provide an assessment and outline a roadmap of where we are going in California on adaptation, resilience, and integrated climate action
- Align with vision and principles, and closely with the TAC's charge per Senate Bill 246
- Track the TAC's accomplishments and highlight key opportunities or needs for further action

# Annual Report – Priority Topics and Themes

---

- Technical assistance
- Land-use purview
- Cross-jurisdictional
- Weave science into annual report
- Highlight emerging challenges for local, regional, state
- Climate equity considerations
- Local planning and implementation

# Annual Report – Details

---

## Timing

- Adopted 1<sup>st</sup> quarterly meeting / Spring of each year
- Updates at each meeting; final review draft to the final annual meeting

## Process

- Staff report
- TAC adopts, delivers to OPR Director given TAC's role in advising OPR

## Audience

- State and local government

## Format

- Short, digestible, readable

# Discussion Questions

---

- Are there other topics the Annual Report could explore to advance local implementation of adaptation and resilience efforts?
- How will annual report move the needle?
- How best to knit topics in a succinct, coherent way?
- Other comments on goal, format, priority topics?
