Adaptation Planning Grant Program Background

OPR, through ICARP, received \$25M in the state budget to fund a **Adaptation Planning Grant Program**

Funding aims to:

- fill **local, regional, and tribal** planning funding needs
- provide communities the **resources to identify climate resilience priorities**, and
- support the development of a **pipeline of climate resilient infrastructure projects** across the state.

Key Program Priorities

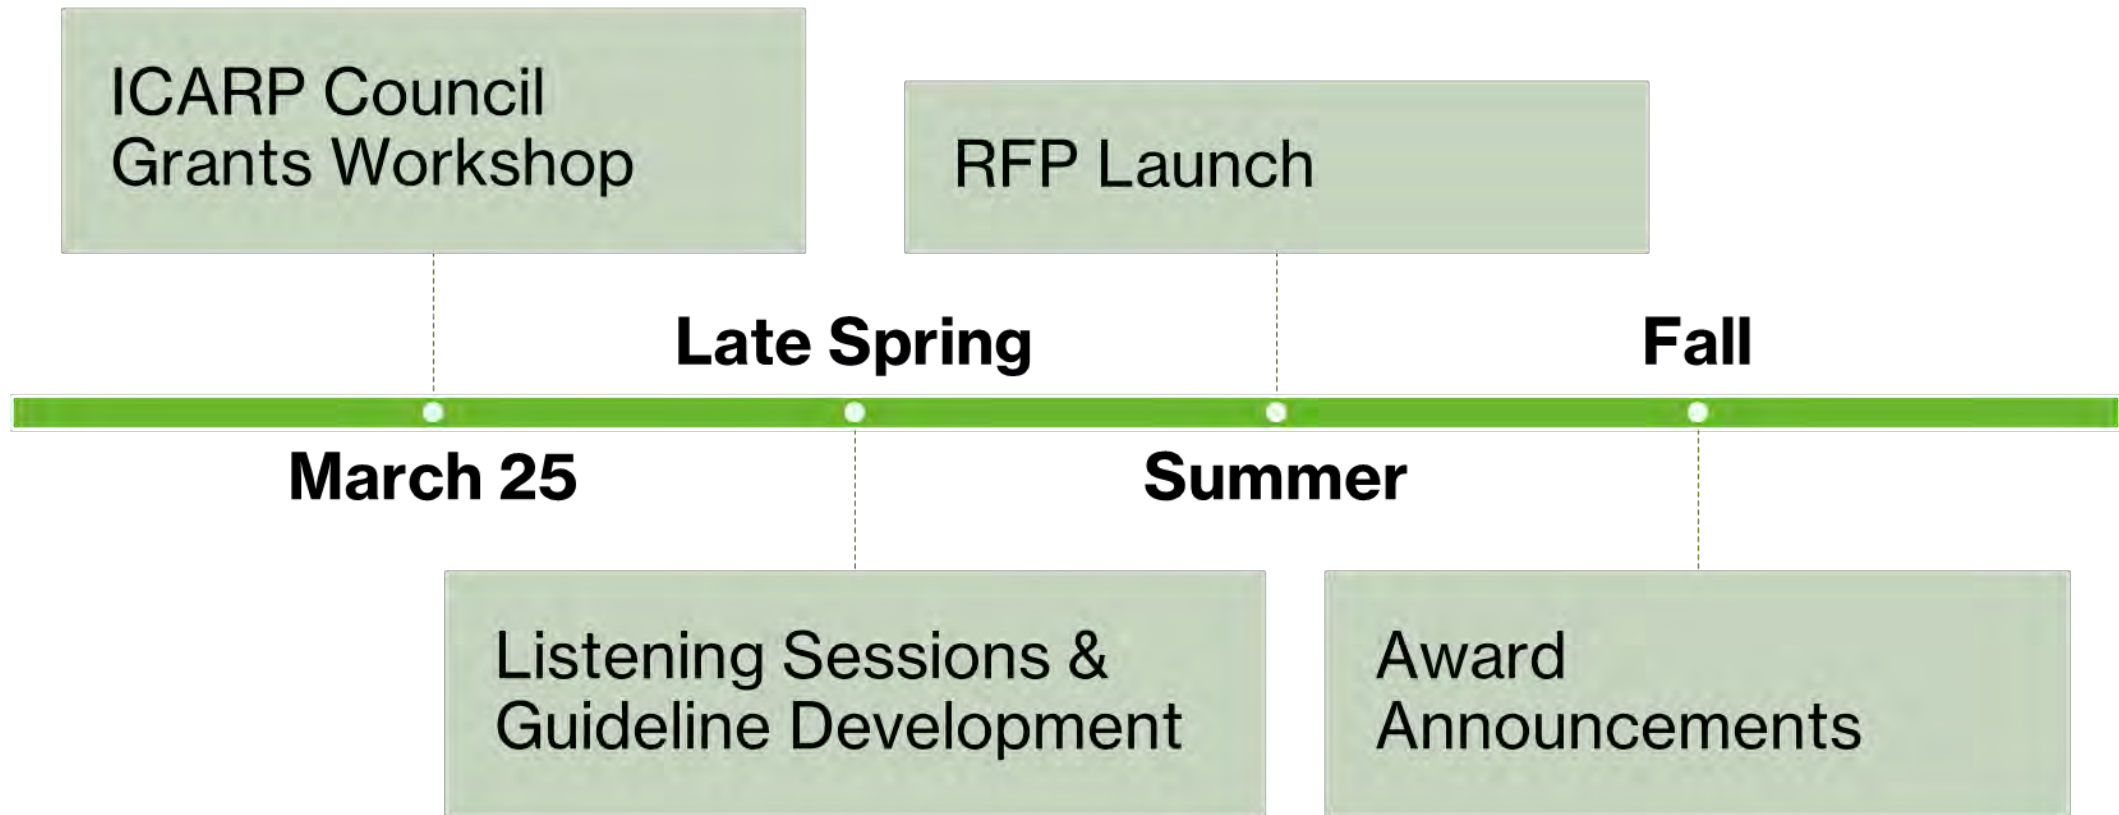

- Support **equitable outcomes**
- Support much-needed **integrated infrastructure planning** to achieve community resilience
- Help communities plan for and respond to **multiple climate risks** simultaneously
- Build **community planning and capacity**

Workshop Feedback

- Program Objectives and Vision
- Program Activities and Deliverables
- Grant Administration

Discussion Questions

Discussion Questions

1. Where are there current resilience and adaptation planning funding gaps?
2. What barriers and dynamics might communities face in applying to this program that we should be aware of? What are your community's unique capacity building needs to effectively advance climate action?
3. What program elements do you see as most important to ensuring planning grant activities can be translated into implementation projects?
4. What type of Technical Assistance, support, or guidance would be helpful during the grant term?
