## **Resilience Funding and Financing Program Timelines**

## Opportunities for the private sector (for-profit corporations, developers, agriculture, landowners, mutual water companies, community development financial institutions)

ICARP Staff developed this graphic in response to a request from the ICARP Technical Advisory Council for a resource that visualizes state funding program timelines. This graphic presents this information at the highest level of detail possible, but in some cases, especially for new or less-immediate programs, may be approximate. All timelines presented herein are subject to change. For the most up-to-date information on state funding opportunities, please refer to the State Grants Portal at grants.ca.gov, or the individual programs' websites. ICARP would appreciate any feedback on the utility of this tool - please contact us at icarp@opr.ca.gov to share your thoughts.
