# GP APR Legal History

---

**1965**

General law cities and all counties are required to provide an annual report to their legislative body on the status of their General Plan and its implementation under Government Code Section 65400

**2018**

Charter cities are required to submit a General Plan and Housing Element APR for reporting year 2017 (due April 1, 2018) and onward (AB 879)

Annual report process gradually becomes a two-report system
